The Championship Program

First Practice—Oct. 1 First Contest—Oct. 22

Online Requirements For All Sports

POSTING SCHEDULES

Schools must post season schedules on the AHSAA website in the Members' Area by the deadline dates listed below. Failure to do so could result in a fine assessed to the school. Schools may go online and make any changes immediately as they occur.

Deadlines for posting schedules:

May 1— fall sports (football only)

June 1 — fall sports (cross country, swimming & diving, volleyball)

Sept. 15 — winter sports (basketball, bowling, indoor track wrestling)

Jan. 15 — spring sports (baseball, golf, outdoor track, soccer, softball, tennis)

POSTING ROSTERS

Schools are required to post team rosters prior to its first contest of the season.

POSTING SCORES

Schools are also required to post scores of contests online immediately following all contests in the regular season (and within 24 hours after regular season tournaments) and in the playoffs or be subject to a fine.

In the post-season playoffs, failure to report scores immediately after a contest will subject the school to a fine.

1. Bowling is a championship sport for the 2018-19 season, providing competition for girls and boys in one classification (1A-7A).
2. Each school team is limited to 18 dates and 5 tournaments, at the varsity level and 12 dates and 2 tournaments at the middle school and junior high level.

Note: A tournament, an organized sport competition that uses elimination and/or round-robin formats, must be sanctioned and determine a champion. It is usually played at one site.

3. The season concludes Jan. 25, 2019.
4. Team size may be determined by the school coach or local school policy. However, during a match, only eight team members – five bowlers and three substitutes – will be allowed in the pit (team area) during competition, when space will allow.
5. All participants must be eligible under AHSAA rules and teams must be accompanied by a certified coach, from their school. Non-faculty coaches must be accompanied by a certified faculty member (see AHSAA Handbook, page 61).
6. Area matches shall be 1 traditional followed by 3 Baker, with winner determined by total pins. Format for non-area matches may be determined by home team or tournament host as dictated by bowling center time perimeters.
7. In an area match, in the event of a tie, the winner shall be determined by 1 additional Baker game and total match pins; including the additional Baker game.

8. Team uniforms will be left to the discretion of each school. Team must wear matching shirts. It is recommended pants and/or skorts be khaki, black or school color. No shorts. It is recommended that teams consult the local center for local dress code requirements before ordering uniforms. Athletes dressed in jeans, shorts, or hats will not be allowed to participate during the regional and/or state tournaments until appropriately dressed.

Sponsorship ads are not allowed on team uniforms. Ads may be placed on t-shirts or other clothing worn for practice or team travel.

9. Coach and player conduct is under the governance of the AHSAA Conduct Rule. Lane courtesy and bowling etiquette is expected of all teams.

Except as stated here, USBC rules will be the rules by which high school bowling will be governed. Those rules may be accessed by using the following link:

<http://www.bowl.com/highschool/>

10. In order to qualify for the championship program, each school must play all schools in their area twice. Area matches take precedence over all other matches.
Note: In the event of a regular season tie, at the end of the season, for the area championship (same area record) the area champion will be determined by:
 - (a) head to head competition
 - (b) total pins for the two matches
 - (c) total pins against area opponents
 - (d) flip of a coin
11. Due to seating limitations, cheerleaders and pep bands are not allowed at bowling meets.
12. Artificial noisemakers are prohibited at all AHSAA inside sport events. No thundersticks, cowbells, drums, air horns, megaphones or other artificial noisemakers may be used.
13. Spring bowling practice is permitted for a maximum of 5 days during any consecutive 10 school day calendar period any time during the second semester. (Refer to page 50 of AHSAA Handbook, Rule 3, Section 17, Spring Evaluation Periods)
14. Bowling will be treated as tennis, golf and swimming in regard to Outside Participation, see page 27 of the AHSAA Handbook, letter (A) Independent Rule. Bowling athletes will not be limited in the number of individual events, but may not participate in any bowling team events during the high school season.
15. High School bowlers will be allowed to participate in the SMART program and not violate the Amateur Rule, page 29, of the AHSAA Handbook.
16. Teams must coordinate practice times with the bowling center they choose to use and must comply with the center's request regarding start and end times, within reason.
17. Bowling Centers may charge schools for house bowling shoes and balls, but it has been recommended by center personnel who served on an advisory committee to the AHSAA that centers charge \$100 per team per season for 2 days per week of practices and/or matches. Final cost is set by each individual center, not the AHSAA.

Special Playoff Rules:

1. Regular season matches are not permitted after the playoffs begin.
2. Invitational, county, conference or league tournaments must be completed prior to January 10.
3. A student may participate in only one level of competition, on the same day or in the same event (county, conference or league tournaments). Junior high and/or middle school players may be moved to a higher level team as long as they do not exceed the maximum number of matches allowed at the highest level of play.
