RE: Instant Replay for Football

The Alabama High School Athletic Association (AHSAA) Central Board of Control has approved the use of Instant Replay for football.

The AHSAA was granted permission by the NFHS to experiment with the use of instant replay for up to three years in all regular season and playoff games including the Super 7 at Auburn University and The University of Alabama. The AHSAA is proud to partner with DVSPORT, the expert in Instant Replay Solutions for officials. DVSPORT will be the only Instant Replay Solution used by officials in all AHSAA contests.

More information about how Instant Replay works can be found on the front page of the AHSAA web site.

To obtain information about the purchase of the equipment, you must contact DVSPORT. Currently there is a limited supply of the Solution kits. In order to receive your instant replay solution by the summer you need to place an order as soon as possible. Orders will be filled on a first come first served basis. DVSPORTS contact information: The email address is highschoolreplay@dvsport.com and the office number is 412-788-9070.
