

2017 Football Playoff Scratch List

If your team is no longer in contention for a playoff spot, please disregard this message.

Please read the following information regarding the playoff scratch list for 2017. Please refer any questions to Mark Jones, email: mjones@ahsaa.com or phone: 334-263-6994.

In an effort to ensure that your scratch list is honored, we are requiring the scratch list be completed prior to the Saturday playoff meeting. Getting this information in advance will provide the AHSAA more time to organize the scratches, and to share the information with district directors, thus assuring more reliability and that all scratches are honored. We thank you in advance for your cooperation.

Please print the form and submit it by FAX, Scan, or Email. Please indicate the official(s) you wish to scratch by circling the official's name. Remember, you may not scratch more than 10% of any one association. If you exceed 10% of any association, your entire scratch list will be voided.

Your completed scratch list must be returned to the AHSAA office no later than Noon on Wednesday, November 1, 2017. Please fax to 334-387-0076 or email the form to mjones@ahsaa.com.
