Special Rules

1. Regular season games are not permitted after the state playoff begins.
2. Invitational, county, conference and league tournaments must be completed before the week of the area tournaments. The AHSAA receives 5 per cent of gross receipts less taxes from all tournaments except area and state playoffs. Form 17 must be filed with the State Office after the completion of each tournament.
3. A student may participate in only one level of competition on the same day or in the same event (county, conference and league tournaments, etc.). Junior high players may be moved to a higher level after completion of their season and its culminating event (city, county tournament, etc.).
4. Wilson Wave balls must be used for all area, sub-regional, regional and state finals play.
5. Each school in the championship program MUST submit online a Basketball Tournament Roster to the State Office before Jan. 16 and also to the area tournament director at the area seeding-drawing meeting.

CHEERLEADING

1. Cheerleaders should be seated in front of their student section and will only be allowed on the floor or sidelines during timeouts and between quarters of the game. Cheerleaders may use the sideline or end line areas before games so long as they do not interfere with the pregame warm-up.

It is the responsibility of each school's administration coaching staff and cheerleader sponsors to see that their cheerleaders conform to this rule. Since it is not a playing rule and is not included in the National Federation Basketball Rules book, it is not the responsibility of the game officials to enforce the rule.

If the officials observe the cheerleaders not following the rule and/or if the cheerleaders are in any way interfering with the game or the maneuvering of the game officials, then the officials will call it to the attention of the coaching staff or school administrators of the responsible school.

Schools should instruct all cheerleaders that they must follow this procedure during all interscholastic games.
2. The use of megaphones by cheerleaders is prohibited at all basketball games.

ARTIFICIAL NOISEMAKERS

Artificial noisemakers are prohibited at all basketball games. No thunder sticks, cowbells, drums, air horns or other artificial noisemakers may be used. It is permissible to have pep bands and other music groups, but they may play only during timeouts and when the ball is not "alive" during a game.

Gym Criteria

In order to accommodate the games, teams and spectators, each host school in play-off competition must provide a facility that meets the minimum standards. In all area and sub-regional playoff games, the home team is responsible for providing a gym that meets these minimum requirements:

- a. The court shall be at least 84' long (may not be longer than 94') and 50' wide with clear contrasting markings.
- b. If the end line is less than 15' from an obstruction, the latter shall be padded in the area under the goal.
- c. There should be a 3-foot clearance from the bleachers to the sidelines. If it is impossible to provide a 3-foot clearance, a narrow broken 1-inch line shall be marked inside the court parallel with, and 3 feet inside, the boundary.
- d. The area above the court must be clear of any obstruction and at least 25 feet high.
- e. The floor shall be marked as outlined on Pages 6, 7 and 8 of the National Federation Basketball Rules book. The court shall include "coaching boxes" in accordance with Rule 10-5-3 adopted by the AHSAA.
- f. Backboards (with ring restraining devices) shall be rectangular glass boards with official protective padding on the bottom and 15" up each side.
- g. A gym for Class A and 2A area and sub-regional games shall have a minimum seating capacity of 300; Class 3A and 4A-500; Class 5A and 6A-700.
- h. Dressing rooms with hot and cold showers for both teams must be provided.
- i. An officials' dressing room with hot and cold showers available must also be provided.

Failure to play all area games could result in fines, probation and/or disqualification from the area tournament.

Seeding will be based on won-loss percentage against area teams that qualify for its area tournament. If a team plays a qualifying area team more than twice prior to the seeding meeting, only the first two regular season games will count for seeding purposes.

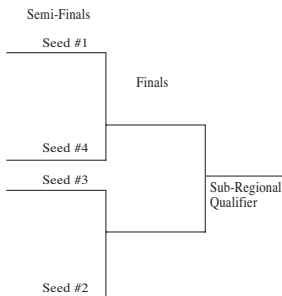

The No. 1 seeded team will host the area tournament. If the No. 1 seeded team does not wish to host the area tournament or cannot provide a facility which meets the gym criteria minimum standards, the No. 2 seed will host the area tournament.

Tie-Breaking Procedure

In case of ties by two or more teams for a certain place in the final area (“required contest”) standings, follow the tie-breaking procedure and apply the tiebreakers in the order listed, beginning with (a).

1. Resolve all two-team ties first, using tiebreaking factor (a).
2. If two or more teams are tied for one of the qualifying places in a sport, first resolve the tie for the highest of those places in the standings, then the next highest place in the standings, etc.
3. To resolve the team rankings if more than two teams are tied, determine the highest-ranked team by applying the tiebreakers in the order listed, beginning with (aa). Until the highest-ranked team has been determined, no consideration will be given to determining the ranking of the other teams involved in that tie.
After the highest ranked team has been resolved, then the next highest-ranked team will be determined by applying the same tiebreakers, beginning with (a) or (aa) as necessary.
4. If a certain tiebreaker does not apply to the tie being resolved, apply the next tiebreaker in the order listed for that sport.
5. Forfeited contests count as losses. A team that intentionally forfeits a required game becomes ineligible for championship competition for the remainder of that classification period plus the next classification period in that sport.
6. If two area, region or section teams elect to play each other more than the required number of contests during the same season, the first contest played (or first at each site if two are required in a sport) will be used in computing standings unless the State Office is otherwise notified in writing by both schools prior to the season. The other contest(s) will be treated as non-required contest(s).
7. Contests against teams that are not eligible for the championship program and contests in regular season tournaments are not used in figuring any tiebreakers.

If Two Teams Tie

- (a) ...The team that defeated the other in its **two** required regular season contests will be placed above the other tied team. The team that lost its head-to-head contest(s) will qualify for the next highest place.
- (b) ...and the two teams split their two regular season required contests, the team that had the highest winning percentage in any non-required contests against each other will be placed above the other tied team. The team with the lower percentage will qualify for the next highest place.
- (c) ...and the two teams split their two regular season required contests, the team that had the highest winning percentage in any non-required contests against the other required teams. (In order for this tiebreaker to apply, each tied team must have played the same number of non-required contests against any of the other “required teams.”)

- (d) ...and the two teams split their two regular season required contests, the team that had the highest winning percentage against all non-required common opponents in their class. (In order for this tiebreaker to apply, each tied team must have played the same number of non-required teams in their class.)
- (e) ...and the two teams split their two regular season required contests, the team that had the highest winning percentage against all non-required common opponents in their class and above. (In order for this tiebreaker to apply, each tied team must have played the same number of non-required contests in their class and above.)
- (f) ...and the two teams split their two regular season required contests, the team that had the highest winning percentage against all non-required common opponents. (In order for this tiebreaker to apply, each tied team must have played the same number of non-required contests.)
- (g) By flip of a coin.

If More Than Two Teams Tie

- (aa) ...the team that had the highest winning percentage against all the other tied teams will be placed ahead of all the other tied teams. (Note: If one of the teams does not have a higher winning percentage than all the other tied teams, the tie cannot be resolved by this factor.)
- (bb) ...the team that had the highest winning percentage in any non-required contests against each other will be ranked ahead of all the other tied teams. (In order for this tiebreaker to apply, each tied team must have played the same number of non-required contests against all the other required teams.)
- (cc) ...the team that had the highest winning percentage in any non-required contests against the other required teams will be ranked ahead of all the other tied teams. (In order for this tiebreaker to apply, each tied team must have played the same number of non-required games against all the other required teams.)
- (dd) ...the team with the best winning percentage against non-required common opponents.
- (ee) ...the team whose defeated required opponents have the most victories.
- (ff) ...the team with the most victories if all teams involved in the tie play an equal number of total games.
- (gg) ...the team with the most victories.
- (hh) By flip of a coin
